Memorandum

TO : File (44-1987)

FROM : [redacted] ASAC C. O. HALTER

DATE: 6/28/68

SUBJECT: MURKIN

At approximately 12:50 PM, June 28, 1968, an individual who identified himself as BILL SORTER, "Time" Magazine, telephonically communicated with me.

He inquired if the FBI could make any comment as to whether the witnesses connected with the rooming house on Main Street in Memphis were in protective custody. I informed SORTER that I did not have any comment to make. He then asked whether I could tell him about arrangements being made for the return of RAY to Memphis; whether he would be in FBI custody; whether the FBI would be cooperating with local authorities; and where RAY would be confined.

I emphasized to Mr. SORTER that I did not have any comment to make about any phase of the case.
